YEARS OF YOUR STUDIES SUPPORTED

Scholarships for talented students from abroad. Apply now to get a scholarship for your studies in Slovakia!

Steps to follow in order to get the scholarship in 2024

Read the basic eligibility requirements

- Check the website whether you are eligible.

Find a suitable higher education institution

- Search the options of higher education institutions in Slovakia and make your choice.
- For more information about studies in Slovakia, check www.studyinslovakia.saia.sk, www.portalvs.sk/en/studijne-odbory or websites of particular higher education institutions.
- Start preliminary communication with a preferred higher education institution in time.
- Advice – such timely communication can help with some questions and save your time as well as beware of potential misunderstandings.

SAT test

- The SAT test is the main and only criterion for being awarded the scholarship!
- Check the website, save the date for your SAT test.
- Pass the SAT test.

Online registration

- Students interested in the scholarship must register online at the website.
- Check the deadline.

Online application

- Students interested in the scholarship must submit the scholarship application online at the website.
- Check the deadline.
- Check all the criteria and everything what must be included in the application.

Verifying the application

- The Ministry of Education, Research, Development and Youth of the Slovak Republic, in cooperation with the Slovak higher education institutions, will verify the applications and all uploaded attachments.

Results

- You will be notified about the results.
- This information will also be available in the applicant's profile.
- Eligibility for the scholarship after fulfilling all the conditions (enrolment and entry to a higher education institution in the academic year 2024/2025 inclusive).

Successful applicants

- Successful applicants will receive the scholarship in the amount of €400 per month, paid out by their higher education institution, for the months of September through June, for 3 years.
- Eligibility for the scholarship may cease. Check all the conditions and the criteria at the website.

Higher education institution of your choice and getting to Slovakia

- Verify all the necessary requirements related to a potential study-related stay in Slovakia and act in time.
- Timely enrolling at a Slovak higher education institution and actively beginning the studies in the autumn of 2024 are crucial requirements to be officially awarded this scholarship. Enrolment and entry to a Slovak higher education institution is entirely in your hands and it is one of the criteria that must be fulfilled.
- Applicants must be enrolled in a full-time, in-person study programme, starting the first year in a bachelor's degree programme or a joint bachelor's and master's degree study programme (regardless of the language of the study programme).
- Do not forget to get to Slovakia in time.
- Ask IOM (the International Organization for Migration) for assistance if needed. Visit www.mic.iom.sk/en/.
- Visit mic.iom.sk/visacheck/en/home for Visa Check.
- Get your visa if needed.
- Start your studies on time.
